Too many of my sisters had sided against the black man for money. When you are in need of protection and support, expect that same lack of loyalty.

Sweden is now the rape capital of the West. Instead of protecting their people, their media covers up the reasons why, calling anyone who tells the truth a racist. Being "racist" now just means being honest.

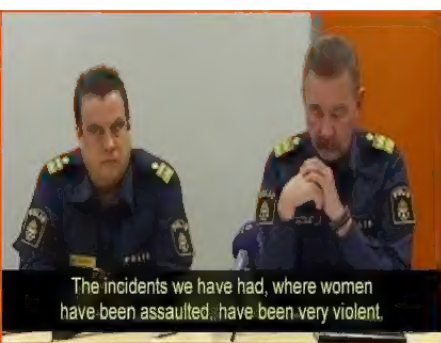

**1 IN 4 SWEDISH WOMEN WILL BE RAPED AS SEXUAL ASSAULTS INCREASE 500%**  
Sweden now has the second highest number of rapes in the world, after South Africa, which at 53.2 per 100,000 is six times higher than the United States. Statistics now suggest that 1 out of every 4 Swedish women will be raped.

Swedish police have given up trying to protect Swedish women from the exponential rise of rapes and gang rapes by newly-arrived Arab and North African migrants.

Police Chief of Östersund, Stephen Jerand, advised all women to not go out after sunset because they are likely to be raped or "something more terrible". He says the rapes the police investigate are especially violent and often lead to serious injury or the death of the victims. These incidents are not just limited to "bar environment", he says, "but also to women traveling from or to work".

The incidents we have had, where women have been assaulted... have been very violent.

Aleksandr Solzhenitsyn - SOLZHENITSYN IMPRISONED IN THE SOVIET GULAG SYSTEM. AMERIKA, THEY ALWAYS SHOOT THE USEFUL IDIOTS LAST!! YURI BEZMENOV, KGB.

Modern society is hypnotized by Socialism. It is prevented by Socialism from seeing the mortal danger it is in. And one of the greatest dangers of all is that you have lost all sense of danger, you cannot even see where it's coming from as it moves swiftly towards you. Dwell on the past and you will lose an eye; forget the past and you lose both eyes. Aleksandr Solzhenitsyn, Gulag Archipelago.

That's fine. Just give up your Social Security, Medicare, stop driving on public roads and highways, take your kids out of public schools, never call the police or fire department, don't use the Postal Service, don't flush your toilet into the sewer system...

... Oh, and get off the Internet, 'cuz the U.S. government created that too!
